Healthy Habits

Being sick is no fun, and missing school means missing out on fun and learning. Please call school if your child is home sick. Use these tips to help your child stay healthy so they can attend school every day:

Remind your child to wash hands with soap and water before eating and after using the restroom.

Make sure your youngster eats a balanced diet with plenty of fruits and vegetables. Also, stick to a regular bedtime that allows 10-12 hours of sleep.

If your child does get sick, replace the toothbrush and change sheets after recovery. Germs left behind can make them sick again.

Note: Ask the doctor when it's safe to return to school—we don't want to make our friends sick, too! If you go to the doctor and are diagnosed with something contagious, please ask the doctor for a note to return.
