

# Richmond Hill MONTESSORI

PRESCHOOL AND ELEMENTARY

## WHAT'S HAPPENING IN JANUARY 2022?

Thanks to all who attended Ornament Night and making it such a special evening for the children. They were so proud to sing the songs they had learned while surrounded by the love of their families. Thank you also for your generosity to the teachers and staff during this special season.

This time of year allows us the time to reflect on our blessings and gifts. We at Richmond Hill are truly grateful for the gift of your precious children. They are each so unique and so special. We hope that you know how much they are loved by the teachers and staff.

We hope you all had a wonderful holiday season and that you enjoyed the time

happy new year

Help us to keep our students and teachers healthy this season by keeping your children home when they are running a fever, have thick or colored nasal discharge, or don't feel well enough to participate in all the daily activities, including outdoor play. Just a reminder that if they are well enough to be in school, they must participate in outdoor play. To return to school, they must be fever-free for 24 hours without any medication. We all want to have a happy, healthy new year!
